## The Anatomy of a Miracle Part VI

### *All Chaos Cycles Can Rebirth You into Your Mystical & Miraculous Nature by becoming an X-Factor of Grace*

- **What is a Miracle?**
  - Definition: A surprising and welcome event that is not explicable by natural or scientific laws and is therefore considered to be the work of a Divine Agency
    - Miracles and Soul Contracts
      - Miracles (often) will not take away your 'Soul Lessons' or opt you out of the Mountains you've signed up to climb this lifetime
        - Shamans know this...
      - Miracles can't be 'strategized' per se, but they can be ignited
  - **What does it mean to Ignite a Mystical or World Miracle?**
    - You must become an X-Factor that can choose consciously the Optimal Choice in any situation. You live within the awareness and Truth that YOU are a Miracle! Thus you must approach the World with the understanding of what that means, the Power of it, and the responsibility that comes with that Power. And that Power is that you can be a Miracle to other people – that means you have the Power and Capacity to fundamentally change someone else's Life and the World in the most profound and life-altering of ways!!!
- Closing insights on the entire Course/Series...

# Exercises:

## Mapping The Six Stages of a Mysticism & World Chaos Cycle (via Climate Change – do your own Research!)

I want you to holographically/intuitively map the current Chaos Cycle we all are living in called 'Climate Change' – use this as an opportunity to track your biases, denial, and Tribalism. Go through each stage and fill it out as I have done in all the previous Lessons with your own intuitive insights. I highly recommend NASA's website as a great unbiased place to do some research: <https://climate.nasa.gov/>

I will start you off with Stage One...

- **Stage One: Constellation of Mysticism & World Chaos (via Climate Change)**
  - Set Up Phase of Chaos of Mysticism & World Chaos circa 1900-1950
  - Energy and events begin to show us that something is off with the balance of the Earth
    - Slowly but surely weather patterns begin to change
    - Financial and Energy fears start to rumble at the Corporate Level of the World as the science begins to roll in...a collective anxiety starts to build for all citizens, especially those with jobs tied to the current energy
    - Oil companies start to lie us, and it turn so do our bought out politicians, and in turn we lie to ourselves as that's easier than changing the status quo...
    - Public Health begins to take a hit due to the pollution levels in the air, animal species begin to die off, asthma begins to rise, energy advances are shut down, Political Tribalism begins to activate, misinformation campaigns
    - Things continue to worsen in all regards above...
- **Stage Two: Massive Disruptive Weather Patterns Increase, Leaving More and More People and Animals Devasted**
  - Things reach a tipping point often manifesting in events that trigger Climate Chaos via Synchronicities of Fate....
- **Stage Three: Disintegration of Ecosystems, Mass Extinction of Animal Species, Disintegration of Coastal Cities/Towns per continued Extreme Weather Patterns, etc...**
- **Stage Four: Normalization – Death of Ecosystem and Life as We've known it (Chaos)**
  - This is the midnight of the Dark Night of Climate Change Chaos Cycle
- **Stage Five: Gestation of a New Environment Post Human and Various Animal Species Extinction**
- **Stage Six: Regeneration of the Earth into a New Environmental Age**

**(PSYCHIC HYGIENE)**

**List all the ways you interact online that open you up to catching a 'Psychic Virus'. Note when you have or do lose your connection to a Mystical Center, leaving yourself vulnerable for Psychic Contamination. Create a plan on how you can better manage your Psychic Hygiene.**

**(KARMA)**

**Take some time and make a list of all the Tribes you belong to and their Archetypal Crews. Now identify and write down the Karma of each Tribe. Lastly identify a Chaos Cycle the Tribe has been through, is in, or might go through – and its impact on you Personally**

**(FATE)**

**Take a week and track the primary ways you violate the Mystical Truth 'All is One' and how that contributes to the Chaos Cycles of the World. Notice which Tribes you belong to and their influence in this process – as well as the Archetypal Team Members involved both personally, and Tribally.**

**(DESTINY)**

**What is the pivot or shift you can make to realign to the 'All is One' Mystical Truth in context to what you have identified as the most violating choices, actions, and patterns as written above from last week. What Archetypal Crew members do you need to make this change and which Tribes do you need to leave or re-orient to?**

**YOU ARE ALREADY ENOUGH,  
SO NOW WHAT DO YOU FEEL MOVED TO DO WITH THIS LIFE YOU HAVE?**

**LOVE YOURSELF NO MATTER WHAT!  
BE WITH YOURSELF, NOT AGAINST YOURSELF  
YOU GOT THIS, YOU ARE A MIRACLE!!**

**Thank you so much for taking this course, I'll see you in the next one!  
Much Love and Namaste – Robert : )**
